10 American Specialty Health Affiliates (ASHA) uses current industry standard coding sets
11 including the International Classification of Diseases (ICD-9), Current Procedure
12 Terminology (CPT), and Healthcare Common Procedure Coding System (HCPCS), for
13 reporting diagnoses, procedures, and other services. ASHA’s use of such coding sets does
14 not imply endorsement by the World Health Organization, the American Medical
15 Association, or any other entity of ASHA or its policies and procedures.
